A SHINE TO LOOK CLASS APART

Made with hi-tech equipments, Digital Glazed Vitrified Tiles (DGV) offer a wide variety of design, art work and surface textures like wood grain, bamboo, slate or stone. DGV Tiles are known for their alluring patterns that can uplift the aura of any ambiance. Being less porous as well as stain and scratch resistant in nature, DGV Tiles would take up less maintenance and deliver the classic look of sophistication you seek.

INSPIRED BY NATURAL STONES

To bring the earthy appeal into your homes, we created matt finish tiles known as Robustone. They don't just resemble the beauty of natural stones, but also possess the rock solid strength of a stone. Built with avant-grade technology, Robustone is the perfect way to live in nature with a dash a luxury and class.

MAGNIFY YOUR STYLE

Wall tiles have the capability to change the look of your space as per your style. They're artistically designed with soothing imprints, large enough to look premium and yet adaptable to fit the contours of your canvas. Latest technologies are implemented to develop them with utmost precision, remain error-free and cater to a wide range of aspects.

Note: Colors shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without any notice. Something variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advice you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
