**ANTIQUE LOOK WITH EASY-TO-LAY,
RELIABLE SIZING; ENERGY-CONSCIOUS
VISIBLE BRICKWORK APPEARANCE.**

They are the descendants of the fine old brick era – adapted to meet modern brick veneer standards. Brick slips give a facade the charm of times gone by, while they are at the same time easy to lay thanks to their uniform size. Fired to be frostproof in high-tech sintering furnaces at 1300 °C, brick slips continue the tradition of masonry with added weather-
